## Legend Unified Basketball Takes on Parker Police Department

*Money raised to benefit DC Fallen Officers Fund and Legend Unified Sports*

The Legend Unified High School basketball team and Parker Police Department will battle it out on the hardwood Wednesday evening to raise money for the Douglas County Fallen Officers Fund and Legend Unified Sports.

Last year, the Legend Unified team beat the Parker Police Department team 35-29 in front of hundreds of students and parents. This year, everyone is invited to see these inspirational athletes as they look to make it two in a row. Tickets will be available at the door for \$5 and money raised will go to Legend High School Unified Sports and the Douglas County Fallen Officers Fund. In addition to the game, there will be fun activities between quarters and a special "Miracle Minute" fundraiser for the Douglas County Fallen Officers Fund.

The Parker Police Department has an amazing partnership with Special Olympics Colorado and Legend Unified Sports. Last year, the Parker Police Department was named the 2017 Colorado Special Olympics Law Enforcement Agency of the Year after raising more than \$18,000.

The Legend Unified basketball team competes every week against other area unified teams in the Denver metro area. Unified sports were developed to promote athletic participation for students with special needs.
